

Year 5 and 6 Creative Homework – Spring 2018

Your homework is your choice!

You must complete 6 tasks from the chart below over the spring term. We expect you to complete your homework with care and to the best of your ability. Remember it can be presented in different ways, e.g. powerpoint, spider diagrams, photos and labels, build models, use pictures....

Don't forget on Purplemash there are programmes you can use to create projects. Just remember to save them in your folder and we can print it at school! Hand in dates are as follows:

Choice 1: 11/1 Choice 2: 25/1 Choice 3: 12/10 Choice 4: 8/2 Choice 5: 1/3 Choice 6: 22/3

Geography link: How does a volcano erupt?	Science Link: Draw and label a diagram of the eye.	History Link: What new foods became available in the Victorian era?
Science: Make a poster or presentation on how light is reflected.	Geography Link: Make a map of where tsunamis happen. Explain what a tsunamis is and how do they occur.	History: Write a story as if you are a Victorian child at school.
History Links: Create a poster/leaflet about jobs Victorian children had.	Music Link: Watch/listen to a movie score. What movie is it? How does the music enhance the atmosphere of that part of the music? How does the music make you feel? Bring in a sample if you can.	Science Link: Conduct an investigation at home about what materials are more reflective. Why is this?
RE: What places are special to a Hindu?	Using purplemash - complete on of the purplemash writing projects. Select Topics- then one of the following Volcanoes, Victorians, Earthquakes, Electricity,	RE: Find out about a Hindu story and retell it e.g. Rama and Sita.
